

As a resident of this community, K-LOVE is a wonderful addition to each day. It is a positive, encouraging voice in a world that is not always geared towards caring and loving the least of its brothers! If this station were displaced by an LPFM broadcaster who did not air this program, there would be no comparable station to listen to. There are many many new wave, goldie oldies, 80's stations, etc. but not many Christian stations with this excellent quality of music. This station, which I support financially, is the only one that I can have on in the car with my 12 year old daughter and 15 year old son and KNOW there is no need to worry about language or sexual connotations, or messages of consumerism and immediate gratification. THANK YOU FOR YOUR EFFORTS TO MAKE SURE THIS STATION REMAINS ACCESSIBLE TO ALL!!
